

# Invitation

The Hungarian Riding for the Disabled Federation are organizing a scientific conference in the field of equine-assisted therapy on the 26th and the 27th of October in 2019, in Fót, Hungary.

You will find more information about the event on our website ([www.lovasterapia.hu](http://www.lovasterapia.hu)) under the menu Conference soon.

We are looking forward to meet every specialist who is interested.
