

Dear Guests,

Let me inform You that on the 26th and the 27th of October in 2019, we are organizing a scientific conference in our institution in Fót (located 3 kilometers from Budapest).

I would be very glad if You could participate in the event and give a presentation.

Last year we decided that as the research and the improvement on equine assisted therapy was so important to us that from now on we would organize a scientific conference annually, presumably in every autumn.

It was a great pleasure to us that in the last few years, there were more than hundred participants from more than 15 countries. The participants had opportunity to watch many interesting presentations and attend exciting conversations.

We hope it will happen this year, too.

Please, confirm Your attendance by 20 August, 2019 via e-mail: [gbozori@lovasterapia.hu](mailto:gbozori@lovasterapia.hu)

Kind regards:

Gabriella Bozori
